Dedication to Donna Oliver

Donna Oliver has been starring at Middleboro High School as a French teacher for almost 35 years. At the end of this year, she will be retiring from MHS to begin a new life to travel and spend more time with family and friends. Leaving MHS means leaving all of the amazing people she has had the pleasure to work with, as well as teach. She will be remembered for her hard work and dedication.

Any student who took French IV will never forget The Little Prince and the many life lessons it holds about people and the world around them. Mrs. Oliver strived to teach life from a different perspective than what we normally find in our hometown. Besides her inspirational talks of life and culture, Mrs. Oliver will always be remembered for her fashionable outfits she consistently wore. Every day she would walk into the school building with a nice blouse or jacket, dress pants and heels to match. It's obvious that after being in the modeling industry for over 10 years, her exquisite fashion taste will remain a part of her forever.

For many years Mrs. Oliver was responsible for organizing and chaperoning trips to France. For these students, the trips were a culturally enriching experience they will always remember. Since 1987, she has been the advisor for the Silver M Society. Mrs.Oliver has been a wonderful asset to MHS. She will be truly missed, but not forgotten.

Dr. Robert Baldwin
Principal

Dear Members of the Class of 2004:

I want to thank you for being such an accepting group of students during my first two years here at Middleborough High School. You have been asked to endure a great deal of change. You have met our expectations and then gone beyond. Look at what you have accomplished. Lily's Purple Plastic Purse, Boys Soccer, and our continued NEASC accreditation are just a few examples of your talents. It is while you were here that we coined the term, "Something Special is Happening Here." Because of your efforts and actions Middleborough High School is moving in the right direction. As you leave MHS remember that you can always come home. Our doors will always be open to you. I believe that you are truly ready to excel in life. Now it is time for you to go out in the world and do it. Don't be a stranger to us and let us know of all your great accomplishments that are yet to come.

Sincerely yours,

Dr. Robert Baldwin

Remember when...

...we had a break?
... "Butts Up" was the cool game to play at recess?
...we even had a recess? How about a snack time at recess?
...we had Rome Day in 6th grade? How about Medieval Day?
...the ceiling fell in on the Explorer's "dungeon" wing at the old Jr. High?
...UMass Band Day freshman year?
...we had intramurals?
...the light in Mrs. Brown's room almost fell on the class?
...the fire alarm went off during the 8th grade semi-formal dance?
...the pool parties we had in 7th grade and 8th grade?
...we had SSR? ...lunch cost $1.25?
...Mr. Brooks did the funky dance at his last dance?
...John Corcoran shaved off his eyebrows?
...we had to be careful not to trip on the speed bumps in the floor at MJHS?
...we had the "Code Yellow"?
...drama students got a chance to meet Stephen Tyler on the trip to see Lysistrate
...there was no #4 Chicken?
...JNCOs were cool?
...Girl Scouts' and Boy Scouts' were cool?
...the mime came to the Lincoln D. Lynch School in kindergarten?
...the Alphas went to New York?
...the Explorers went on a Boston Harbor cruise?
...Mr. Thorley's entire algebra class was sent to the office because we all refused to go back into the room
...Mr. Baldwin wore that really ugly 70's shirt?
...Gabe M. scored the winning goal with .02 seconds left in the SoccerTournament?
...we were at MJHS and Mr. Zitoli popped the bubble?
...Mr. Green tried to cut his own hair and it came out lopsided?
...MHS won the state finals of the Boston Globe Drama Festival?
...Janine Muirhead flushed Mr. Thompson's toilet?

DANCE TEAM

The MHS dance team started in 2002 with an eager advisor and a small number of girls that had a passion for dance. Though they went through many struggles to be taken seriously, the team never gave up. Whether it was a last minute prepping for their number in "That's Entertainment" or long stressful practices before their showcase at the end of the year, neither the girls or the advisor, Ms. Kristen Danker ever gave up. The dance team meets at least one day a week in the auditorium and primarily focuses on jazz dance, though they like to spice it up with a few tap, modern/lyrical or even hip-hop numbers. Each member of the dance team knows their importance and over time they have grown to become not just a team but also a family. Without every member's hard work and dedication MHS would not have a dance team.

"Warming up to twirl fire"

Remember all those Friday night football games, or the parades that went through the center of Middleboro? You knew you were cold, but you also knew that there was a group of girls who were colder. The MHS majorettes twirled at all the home games including the Thanksgiving Day game, accompanied by the MHS marching band. In addition to twirling batons on the field, the girls also twirled flags and feature twirlers, Krystle MacNeill and Caitlyn Parker twirled fire at all the games.
The NEMA Competition season begins in late February, the teams start planning and practicing their routines in early fall. In the past, Middleboro teams have done very well and usually take home their share of trophies.
Mrs. Gosson is the advisor.

MARCHING BAND & ORCHESTRA

The MHS Marching Band is a very talented group of musicians. These students delight us with their performances at all the home football games, parades, concerts and music festivals. Every year MHS has many students who audition and are accepted to SEMSBA, District and All-State. This is a very rewarding experience for any student in grades 9-12 who plays an instrument.

BOYS SOCCER

Eastern Mass Champs!

The 2003 Sachem Soccer Team experienced the season of all seasons this year, reaching their highest level of achievement to date. A strong defense, led by Brett Baptiste and a very skilled mid-field led by Mike Delaney, Gabe Mercier and Nick Kelly, was able to get this team to the state finals. A moment that stuck out this season was handing #1 Hingham, their first loss, with only 2 seconds to play. Pat Bausemer scored the winning goal against Martha's Vineyard,and the only goal in the East Final, to send the Sachems to the Div. II State Final, played at Worcester College.

GIRLS SOCCER

The 2003 Sachem Soccer season was an exciting one led by senior captains, Patrice Cahoon and Kathy Niven. The other outstanding seniors on the team, Janine Muirhead, Mary Hurley, Heather Hunter and Vicki Waterman made this team competitive and well respected throughout the league. For the second year in a row the team missed qualifying for state tournament play by just one game. Every time this team stepped on the field they played with excitement. Positive attitudes, hard work, and the spirit of working together made this a successful season.

GOLF

The Sachem Golf Team struggled to get on the board this year due to tough competition and lack of experience. The team had only one senior in Tom Dubrowski who did an outstanding job providing leadership and a positive attitude. Junior co-captains Mickey Howard and Pat Lech provided team unity as well as an outstanding golf etiquette to the up and coming talent. Next year holds anticipation of a successful season with a roster of five seniors and three juniors. Also keep an eye out for sophomore Mike Tucker. Come out and support the Sachem Golf Team- strong, determined, dedicated!

CROSS COUNTRY

BOYS & GIRLS CROSS COUNTRY

The 2003 season brought much promise for the Boys Cross Country team. With four returning seniors and a strong supporting cast made up of four juniors and four freshmen, the boy's team has a strong base for next season. Despite a winless season, the team was led by newcomer, freshmen Troy Bickford and senior captains, Jeff Cunningham and Chris Barnes. This year the team overcame numerous obstacles and worked hard to do their best possible. Juniors Tristan Ellis and Matt Schofield will return next season as captains.

Girls Cross Country is more then just running. It takes endurance, strength, hard work, a strong drive, and determination. Every girl on the team this year proved that they had what it takes. Co-captains Krystle MacNeill and Ashly Teed led their teammates, Reagan Paduch, Sarah MacPherson, Nicole White, and Fawn Yin to a few victories. Each girl improved her times dramatically from the beginning of the season to the end. This was an enjoyable year and a great season, one we'll never forget.

BOYS BASKETBALL

The varsity boys basketball team, led by captains Randy Townsend, Ryan Lavelle, and Bryan Derochea experienced a challenging season. The Sachems knew that they had their work cut out for them in more ways than one. Lacking any kind of team size and facing an extremely strong league schedule didn't prevent this group of players from working hard and competing night after night. They are to be commended for their efforts.

In addition to their demanding meet schedule, the girls also hosted a Relay Carnival in December. Leading the team were captains; Ashley Bailey, Hilary Baker, Michelle Dutra and Eva Plumhoff. Season highlights included Stephanie Jones' best time in both the 500 and the 200 yard Freestyles, Dutra's consistency with her Top Ten record in the 100 yard breaststroke and a personal best in the 200 yard Individual Medley, and Bailey's placement among the Top Ten in the one-meter dive. Although there was a significant loss in the numbers this year, the team pulled through with a grand overview which included best times all around, numerous Top Ten's and a positive foreshadowing of future seasons. Good luck next year girls.

TWIRLING

The Middleboro High School Majorettes test their skills annually by competing in the New England Majorette Association contests. NEMA is an organization allowing for interscholastic competition for baton twirling in New England. Several area schools participate at four different levels depending on the ages of the team members and the difficulty of the routine. Teams are judged by two twirling judges and two maneuvering judges who base their scores on visual effect, musicality, originality, completion, recovery, performance and or course, difficulty.
Middleboro boasts four teams incorporating students from grades five through twelve. The teams compete under the guidance of Tracy Gosson who has coached for the school now for twenty-one years.
With forty plus members every year it is a popular activity. This season Class A is twirling to "Love Shack" and the Open Class Squad has chosen "You Can't Stop the Beat" from the Broadway musical Hair Spray. Open class captains for the 2004 season are Krystle MacNeill and Caitlin Parker and Class A captains are Julia-Rose Estrella and Rebecca Tees. All four are seniors.

Farewell Message to Seniors

Dear Members of the Class of 2004

"Whatever you can do or dream you can do, Begin it! Boldness has power, magic and genius in it." *Goethe*

As you graduate you begin a new phase of your life. It is an exciting phase but one that can be filled with doubt and uncertainty.

Please know as you enter the world during uncertain times you are prepared. Your teachers, administrators, and community have provided you with the resources, skills, sense of self and community to face whatever challenges are ahead. We believe that there is nothing you can't achieve. If you can dream it you can do it. Be bold, challenge yourself, and enjoy your life. We take great pride in your current and future successes.

My sincere best wishes for the Class of 2004.

Sincerely,

Denise M. Walsh, Ed.D.
